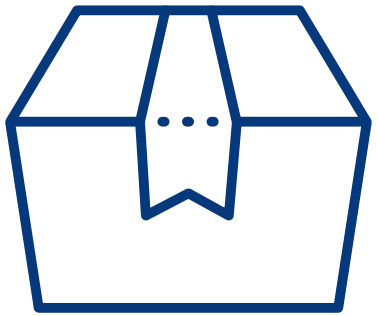
Community Engagement	Positive cases interviewed: 75.3% (Jan 21) — 7-day avg. completed within 3 days	Positive cases who provide close contacts: 45.2% (Jan 21) — 7-day avg.	Mean number close contacts provided: 1.1 (Jan 21) — 7-day avg. mean per positive case	Exposure Notification Opt-in: 584,541 (Jan 21) — cumulative # of smart phones opted in to official exposure notification system
	Correct mask-wearing: 72.6% (Jan 14) — percent observed. Updated every 3 weeks.	Percent full COVID-19 vaccine coverage: 0.6% (Jan 23) — cumulative. Updated weekly.		

VACCINE DISTRIBUTION

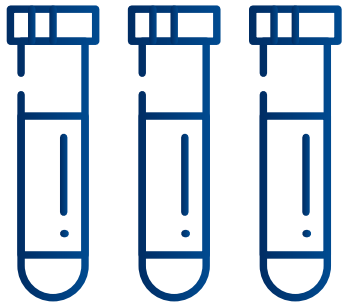


Total doses already **delivered** (as of 1/23/21):

68,750

Total doses already **administered**:

51,421



Additional doses becoming available this week:

9,475

VACCINE DISTRIBUTION

This week, DC is receiving 8,775 doses of the Pfizer vaccine and 5,600 doses of the Moderna vaccine.

Moderna doses breakdown:

- 2,975 doses for appointments that were made available through the portal last week
- 1,500 doses for appointments that were previously booked
- 300 doses to a pharmacy to vaccinate residents of Intermediate Care Facilities
- 100 doses to a pharmacy to vaccinate residents of community residential facilities/group homes
- 400 doses to Unity Healthcare to vaccinate individuals experiencing homelessness and patients at Unity
- 200 doses to United Medical Center for patients that will be booked directly through UMC
- 125 doses for pharmacy or provider staff, or to be allocated in the following week's schedule

Pfizer doses breakdown:

- 3,900 doses to Children's for DCPS in-person staff
- 1,950 doses to One Medical for public charter school in-person staff
- 1,950 doses to Kaiser for MPD and their eligible patients
- 975 doses to Sibley/Johns Hopkins for the Senior Housing-DCHA initiative and their patients

OUTREACH FROM HOSPITALS AND MEDICAL PROVIDERS

District hospitals and medical providers have started outreach to schedule their patient population of DC residents 65 years and older. Like the District's COVID-19 vaccination scheduling portal, hospital appointments are limited.

- Howard University Hospital
- MedStar Georgetown University Hospital
- MedStar Washington Hospital Center
- The George Washington University Hospital
- Sibley Memorial Hospital
- United Medical Center
- Kaiser Permanente

Help spread the word:

Make sure your parents, grandparents, and neighbors who are **65 and older** know that they are **eligible to get vaccinated** and help them make a plan to get an appointment.

vaccinate.dc.gov

The COVID-19 vaccine is:

- ☑ Safe
- ☑ Effective
- ☑ Our path out of this pandemic

Protect yourself. Protect your family. Protect DC.

GET VACCINATED.

More than 10 million Americans have already received at least one dose of the COVID-19 vaccine.
