What else are we offering to meet your needs?

As part of our continued effort to slow the spread of coronavirus infections in DC and the region, Mayor Bowser announced agency-specific policies that are designed to keep District Government employees and residents safe, while continuing to provide vital services to District residents, businesses, and visitors, as we respond to this health emergency.

What precautions are we taking to limit the spread of the coronavirus (COVID-19)?

Our employees are taking precautions to keep themselves healthy and limit the spread of infections like regularly washing their hands, cleaning facilities more frequently, and reducing close contact with each other and residents.
