- **Audits, Inspections and Evaluations** – Modified service. The OIG is continuing to work on Audits, Inspections and Evaluations; however, no field work is scheduled during the District's Phase 1 of ReOpening. ## What else are we offering to meet your needs?

The OIG is continuing to meet its operational mission for the District via telework. We have opened multiple avenues for reaching us, including email, phone, and online. Residents and employees can also follow us on twitter (@OIGDC) and Facebook (OIGDC).

## What precautions are we taking to limit the spread of the coronavirus (COVID-19)?

All OIG employees are teleworking. Our employees are also taking precautions to keep themselves healthy and limit the spread of infections. The OIG has been regularly sharing information with staff via online Live Chats about prevention and response to COVID-19, and all employees are required to let their supervisor know immediately if they feel sick.
