

Update on Criminal Justice Coordinating Council (CJCC) Operating Status during COVID-19 Emergency

NOTICE: The Public Health Emergency is now in effect through April 24; school and government reopen on April 27.

What is our operating status?

In keeping with the District government posture, the CJCC remains operational. However, we have made some modifications to how services are being provided.

How does this impact what we do?

- **Justice Information System (JUSTIS)** - no changes. JUSTIS, the District's Integrated Justice Information System, which provides near real-time information to local and federal criminal justice agencies, will continue to be accessible 24/7.
- **Committee/Workgroup Meetings** - modified service. CJCC committee and workgroup meetings will be conducted via teleconference or WebEx.
- **Summits and Public Meetings** - suspended. The Criminal Justice Summit, which was scheduled for March 25, will be rescheduled for a later date.

How does this impact our physical locations?

- **CJCC Office** - closed from March 16-31, 2020. We currently plan to reopen on April 1, 2020.

What precautions are we taking to limit the spread of the coronavirus (COVID-19)?

All employees have been authorized to telework. Our employees are taking precautions to keep themselves healthy and limit the spread of infections like regularly washing their hands and reducing close contact with each other and residents.
