Video consultations are available for large construction projects greater than 1,000 sq. ft. Payments can be made by credit card or checks mailed to a lockbox.
- **Business/License Division** – Any business licenses, professional/occupational licenses, vending licenses, etc. that expire during the declared emergency will be considered valid, and people will have until 45 days after the declared emergency is over to renew their licenses (90 days for special police officers). Please note all of the following [can be done online](#) at any time: apply for/renew a business license, register a corporation, and form an LLC.
- **Corporate Filings** – Customers filing 2020 biennial reports between April 2 and June 1 will not incur the late filing fee. The same is true for trade name renewals.
- **Construction** – Construction continues to be allowed in the District Monday – Saturday from 7:00 am – 7:00 pm without any special permits. Construction sites should follow coronavirus (COVID-19) Guidelines for Construction Sites provided by DC Health, which can be found at coronavirus.dc.gov/page/business-and-non-profit-resources. DCRA inspectors are continuing to investigate reports of illegal construction throughout the District.
- **Inspections** – Inspections are occurring on a daily basis, as is customary. There are no changes in the process to schedule an inspection.
