

# Update on the DC Department of Public Works (DPW) Operating Status during COVID-19 Emergency

## What is our operating status?

DPW remains operational. While some residential services are suspended, Ft. Totten Transfer Station resumes residential services beginning Friday, May 29.

## How does this impact what we do?

- Trash and recycling collection will continue as scheduled.
- The following residential services at Ft. Totten Transfer Station will resume:
  - **Solid waste drop-offs** - Monday through Friday, 1:00 pm - 5:00 pm, and Saturdays 8:00 am - 3:00 pm;
  - **Residential compost pick-up** - District residents with up to five 32-gallon bags (residents provide bags) can pick-up free compost Monday through Friday, 1:00 pm - 5:00 pm, and Saturdays 8:00 am - 3:00 pm;
  - **Hazardous waste and e-cycling drop-offs** - The last Thursday of each month, 1:00 pm - 5:00 pm and Saturdays 8:00 am - 3:00 pm. This service will resume Saturday, May 30; and
  - **Document shredding** - The first Saturday of each month 8:00 am - 3:00 pm; This service will resume Saturday, June 6. Residents will be directed to place their documents in a designated bin for shredding and recycling.
- Residential mowing continues but may be delayed.
- Residential street sweeping is suspended.
- Ticketing for safety violations (e.g., blocking a fire hydrant) continues.
- The following ticketing is suspended:
  - Emergency no parking violations (vehicles will be relocated without charge and will not be ticketed)
  - Expired District license plates and inspection stickers
  - Expired residential parking permits
  - Expired meters
- Vehicle booting and towing are suspended.
- Food waste drop-off is open, please visit [dpw.dc.gov/foodwastedropoff](https://dpw.dc.gov/foodwastedropoff) for locations, times and available services.

## How does this impact our physical locations?

- DPW remains open and operational with essential staff. The following sites are closed to the public. Only District employees and vendors are permitted:
  - W Street lot for trash and recycling vehicles; deployment site for collectors.
  - Reno Road and RFK Stadium lot for trash and recycling vehicles; deployment site for collectors.
  - Blue Plains lot for towed vehicles.
  - West Virginia Avenue site for District fleet vehicle storage and maintenance.
  - Reeves Center - DPW administration.

## What else are we offering to meet your needs?

As part of our continued effort to slow the spread of coronavirus infections in DC and the region, Mayor Bowser announced agency-specific policies that are designed to keep District Government employees and residents safe, while continuing to provide vital services to District residents, businesses, and visitors, as we respond to this health emergency. Residents are encouraged to call or use the 311 app to answer questions about services, as well as follow DPW on Twitter (@DCDPW) for the latest updates.

## What precautions are we taking to limit the spread of the coronavirus (COVID-19)?

Our employees are taking precautions to keep themselves healthy and limit the spread of infections like regularly washing their hands, cleaning facilities more frequently, and reducing close contact with each other and residents. Employees have been asked to let their supervisor know immediately if they feel sick.
