

Update on Workforce Investment Council (WIC) Operating Status during COVID-19 Emergency

NOTICE: The Public Health Emergency is now in effect through April 24; school and government reopen on April 27.

What is our operating status?

As a member of the District government, our agency remains operational and in service for the community. We are utilizing a full telework model and can provide continuous services.

How does this impact what we do?

- There are no changes to the delivery of the WIOA State Plan.
- We will continue to provide services as usual.

How does this impact our physical locations?

- Our physical office located at 2235 Shannon Place SE, Washington, DC 20020 will be closed to the public from March 16-31, 2020 as our team will be working remotely. We plan to reopen on or after Wednesday, April 1, 2020.

What precautions are we taking to limit the spread of the coronavirus (COVID-19)?

Our employees are taking precautions to keep themselves healthy and limit the spread of infections like regularly washing their hands, cleaning facilities more frequently, and reducing close contact with each other and residents. Employees have been asked to let their supervisor know immediately if they feel sick.

Where should you go if you have questions?
