

DEPARTMENT OF HEALTH

NOTICE OF EMERGENCY RULEMAKING

The Director of the Department of Health, pursuant to the authority set forth in section 1 of An Act To authorize the Commissioners of the District of Columbia to make regulations to prevent and control the spread of communicable and preventable diseases, approved August 11, 1939 (53 Stat. 1408; D.C. Official Code § 7-131) (2012 Repl.) and Mayor's Order 98-141, dated August 20, 1998, hereby gives notice of adoption, on an emergency basis, of the following amendments to Chapter 2 (Communicable and Reportable Diseases) of Title 22-B (Public Health and Medicine) of the District of Columbia Municipal Regulations (DCMR).

The rulemaking prohibits certain “Mass Gatherings” of two hundred and fifty (250) or more persons at the same time in a single room or other single confined or enclosed space to reduce the spread of a new strain of coronavirus called COVID-19 that caused an outbreak of respiratory illness first detected in Wuhan, Hubei Province, China that has rapidly spread to numerous countries and is now present in the District of Columbia.

This emergency rulemaking is necessary to immediately implement efforts to reduce the spread of COVID-19. COVID-19 is easily transmitted, especially in group settings. It is essential that the spread of COVID-19 be slowed to protect the ability of public and private health care providers to handle the influx of new patients and to safeguard public health, safety, and welfare of the persons living or otherwise present in the District of Columbia. The U.S. Centers for Disease Control and Prevention has recommended avoiding crowds to slow the spread of COVID-19. The World Health Organization has declared the COVID-19 outbreak as a pandemic. No specific treatment exists for COVID-19. A vaccination against COVID-19 does not exist. The death rate for COVID-19 is substantially higher than the death rate for influenza (which has a specific treatment and a vaccination). Because of the risk of the rapid spread of the COVID-19, and the need to protect the members of the community, the emergency rulemaking prohibits indoor public and private gatherings and outdoor gatherings within an enclosed space of two hundred and fifty or more persons anywhere in the District of Columbia, subject to the limited exceptions and under the terms and conditions more particularly set forth in the rulemaking.

This emergency rulemaking was adopted on March 13, 2020, and became effective immediately on that date. The emergency rulemaking will expire one hundred twenty (120) days from the date of adoption (*i.e.*, on July 11, 2020). If needed, an appropriate rulemaking will repeal the prohibition on “Mass Gatherings” imposed by this rulemaking if the spread of COVID-19 is contained prior to the expiration of this emergency rulemaking.

Title 22-B DCMR (Public Health & Medicine) is amended as follows:

Chapter 2 is amended by adding section 204 stating:
