SNOW UPDATES

The Snow Emergency was lifted on Sunday at 8:00 p.m.

DC Public Schools are all virtual today

DC Government opened on time today

Public COVID-19 testing sites are closed today
Be vigilant and call (202) 399-7093 to request transportation for neighbors in need of shelter from the cold.
As **Term 3 at DC Public Schools** begins, we are proud that:

- Every teacher & staff member working in person was **offered a vaccine**, and approximately 3,100 teachers and staff members have already received their first dose.
- Symptomatic & asymptomatic **testing protocols** are in place.
- **HVAC systems are upgraded** & school plans are public at dcpsreopenstrong.com/school-plans.

The science is clear: with the right protocols and upgrades, schools are safe. And we know the best place for students to learn is in the classroom.
VACCINE DISTRIBUTION

Total doses already delivered (as of 1/30/21):
83,125

Total doses already administered:
62,219

Additional doses becoming available this week:

On Thursdays at 9:00 a.m., vaccination appointments become available to eligible residents in priority zip codes. Priority zip codes include areas of the city where residents are disproportionately affected by COVID-19, including number of cases and mortality rate.

The priority zip codes for this week will cover Wards 5, 7, and 8.
VACCINE FRAUD ALERT

If you receive any messages or calls about the private sale of a vaccine, report this as an illegal scam.

The only places you can get a vaccine are through hospitals, clinics, pharmacies, and doctors’ offices.

There are no one-off sales of vaccines. And when you receive a real vaccine, it will always be free.

Report a scam to MPD: (202) 727-4159

This morning, with the Office of the Chief Financial Officer, we released the Fiscal Year 2020 Comprehensive Annual Financial Report (CAFR). The 2020 CAFR marks the District’s **24th consecutive clean audit** opinion and the **sixth consecutive year of the audit finding no material weaknesses** or significant deficiencies.

Highlights of the FY 2020 CAFR include:

- for the second consecutive year, the District has 60 days of operating reserves
- pension and retiree health care trust funds remain fully funded
- the District continues to have a strong AAA bond rating
